JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

the board of health shall order a new privy constructed in conformity with said rules and regulations.

Rule 7. All privies shall be kept clean at all times. The door of the house shall not be allowed to remain open at any time unless there is a self-closing fly door in addition to that required under the above rules. The cover to the seat or seats shall be kept closed at all times when the privy is not in use. No wash water, garbage, kitchen slops, or other liquid wastes shall be emptied into the privy. No night soil from any person suffering from typhoid fever or other serious bowel trouble shall be deposited in any privy without being previously disinfected in such manner as directed or approved by the city board of health.

Rule 8. The sanitary officers and the city scavengers are required to report to the board of health any and all violations of the above rules and regulations. Under said rules and regulations the owner of the premises is responsible for the construction of privies and the occupant is responsible for their proper maintenance.

The penalty prescribed by law for the violations of the above rules and regulations is not less than \$5 and not more than \$50.

JACKSONVILLE, FLA.

Communicable Diseases—Reporting and Quarantining of. (Ord. No. L-60, Feb. 12, 1912.)

SECTION 1. That section 802 of the city code be amended so as to read as follows:

SEC. 802. Physicians to report contagious diseases. Every physician who shall visit or attend any patient suffering from cholera, yellow fever, smallpox, typhus fever, scarlet fever, diphtheria, measles, pellagra, anterior poliomyelitis or infantile paralysis, cerebrospinal meningitis, ilioocolitis, summer complaint, diarrhea or dysentery, shall within 12 hours report such case to the health officer.

No person or thing liable to propagate a contagious or infectious disease shall be introduced into the city, except by the consent of the health officer. And when it shall come to the knowledge of any person that such dangerous person or thing has been introduced into the city, such person having the knowledge thereof shall immediately communicate such information to the health officer.

No person suffering from a contagious or infectious disease shall be removed from one place to another, except by permission of and under the direction of the health officer.

Persons having an infectious or contagious disease, and all articles exposed to infection therefrom, shall be immediately isolated, and no person except the attending physician, nurses, and spiritual adviser shall be allowed access to the room containing the affected person.

Convalescents from an infectious or contagious disease, and their attendants, shall not be permitted to leave their premises until their clothing shall have been properly disinfected. Vessels, bedding and other articles used by persons having a contagious or infectious disease shall be thoroughly disinfected or destroyed under the direction of the attending physician or health officer.

Any person violating any of the provisions of this section, shall, upon conviction before the municipal court, be fined in a sum of not less than \$10 nor more than \$50 or be imprisoned for not less than 10 nor more than 50 days.

Deaths—Certificates of—Burial Permits. (Ord. No. L-61, Feb. 23, 1912.)

SECTION 1. *Death certificates.*—In the event of the death of any human being within the corporate limits of the city of Jacksonville it shall be the duty of the attending physician, or, if no physician be in attendance, of the nearest relations, nurse, or attendant, to report the same to the city health officer or his deputy at the office of the city board of health within six hours after such death, or if said office is closed, immediately after the same shall be opened and within said time, file in said office a certificate of death, giving accurately the name, age, sex, nationality, or color, cause of death, and other information and details required by the city board of health.

upon blanks furnished for that purpose. This certificate shall be signed by the physician in attendance, or, if there be no physician, by the health officer, or in the case of a new-born child, by the midwife or other attendant upon the mother.

SEC. 2. *Burials and removals.*—It shall be unlawful for any undertaker or other person to bury or to remove from the city the body of a deceased human being who may die within the corporate limits of the city of Jacksonville without first securing from the city board of health a burial or transportation permit signed by the city health officer or his deputy. This burial or transportation permit shall be issued by the health officer or his deputy only when a properly executed death certificate of the decedent named in the burial permit shall be on file in the office of the city board of health. This permit shall show the name, address, sex, age, color, cause of death, place of burial or removal, name of attending physician, and such other information and details as the city board of health may require. It shall be made out in duplicate, the carbon copy being on file in the office of the city board of health and the original given to the undertaker or other person having charge of the remains of the decedent.

SEC. 3. No owner, caretaker, or other employee of any cemetery shall permit the burial of the body of any human being who may die within the corporate limits of the city of Jacksonville without first receiving and filing such burial permit, nor shall any body be removed from the corporate limits of the city of Jacksonville by any transportation company until the original transportation permit shall be filed by the undertaker or other person in charge of said body in the office of the State board of health. The burial permit or transportation permit shall be signed by the city health officer or his deputy.

SEC. 4. Any person violating any of the provisions of this ordinance shall, upon conviction before the municipal court, be punished by a fine of not more than \$100 or be imprisoned for 50 days.

SEC. 5. All ordinances and parts of ordinances in conflict with this ordinance be, and the same are hereby, repealed.

Narcotic Drugs—Sale of. (Ord. No. L-108, Aug. 9, 1912.)

SECTION 1. From and after the passage of this ordinance it shall be unlawful for any druggist or other dealer in drugs or medicines or any other person to sell, give away, exchange, or otherwise dispose of the drugs known as cocaine or any of its salts, alpha or beta-eucaine or any of their salts, or any morphine or its salts, or opium or the salts of alkaloids of opium, or heroin, codeine, or their salts, or laudanum or the deodorized tincture of opium; also mixtures containing more than one grain of heroin or the salts of heroin, except upon the written prescription of a licensed physician, which prescription shall contain the name and address of the individual for whom it is intended, together with the signature of the physician writing it. This prescription shall be filled but once; shall be retained by the druggist filling it and no copy shall be given to the individual for whom it was written or to any other person by the druggist or any of his employees. Every druggist or employee of any druggist who shall fill a prescription containing any of the before-mentioned drugs or mixtures shall record, in a book kept for that purpose, the name and address of the individual for whom the prescription was filled, together with the date of such filling and the serial number of the prescription, and this record and the original prescription shall at all times be open for inspection by the city board of health and the police department. All such prescriptions for any of the before-mentioned drugs or mixtures shall contain the quantity of said drug or mixture to be sold or disposed of, and dispose of or sell upon prescription more than the quantity therein described, *Provided*, That this section shall not be construed so as to restrict or prohibit sales of any of the above enumerated articles in bulk to each other by importers, jobbers, manufacturers, or retailers in original packages or to physicians, dentists, veterinary surgeons, hospitals, or infirmaries, for their own use.
